Team Sponsorship Details

The Maryville-Alcoa Flying Dolphins is a non-profit summer swim team serving the greater Blount County area for 50 years!. The Dolphins have been providing an enriching and inexpensive service helping over one hundred swimmers from ages 6-18 each summer. But, being non-profit and parent operated, we rely on funding from business and private sponsors as our annual fundraiser does not supply all our needs.

Please consider partnering with us in whatever amount you can afford.
